1. Acceptance of Terms

By accessing or using the TASARA website (www.tasara.africa) or joining the TASARA community through its associated channels, you agree to these Terms of Service. If you do not agree, please do not use the site.

2. Description of the Platform

TASARA is a Pan-African economic initiative of Iron Mint Stewardship Limited. The website provides: general information about TASARA; a public directory of Merchant Stewards and their products/services; a form to request a product or service, which is routed to a Merchant Steward for direct, off-platform fulfilment; and links to TASARA's community channels (WhatsApp, Telegram).

3. Eligibility

You must be at least 18 years old to register an account or submit a request through this site. TASARA does not knowingly collect information from anyone under 18.

4. Account Registration

When you sign up, you agree to provide accurate information and to keep it up to date. You are responsible for any activity associated with your account.

5. Acceptable Use

You agree not to: impersonate any person or entity; submit false or misleading requests; use the site to harass, defraud, or harm another user or Merchant Steward; or attempt to interfere with the site's normal operation.

6. The Directory and Request Feature

The Directory is provided for informational purposes. Submitting a request through the "Book / Request" form does not create a contract between you and TASARA, and no payment is collected through this site. Any resulting transaction is a direct arrangement between you and the relevant Merchant Steward, and TASARA is not a party to it. We strongly encourage you to submit requests through this feature, rather than contacting a Merchant Steward directly, so that TASARA's Administrators can verify the request and the merchant assigned to it — see Section 12.

7. Merchant Stewardship Program

Individuals or businesses wishing to sell through TASARA must complete a separate verification and authorization process. The full terms governing Merchant Stewards, including any registration commitment, are set out in a separate agreement provided directly to applicants and are not published on this website.

8. Omni

Within the TASARA system, participants may receive Omni receipts or vouchers as part of transactions. Omni is an internal mechanism for use within the TASARA network and is not a public currency, security, or investment product.

9. Intellectual Property

TASARA, the TASARA name, and associated logos are trademarks and property of Iron Mint Stewardship Limited. You may not use them without prior written permission.

10. Third-Party Platforms

TASARA's community and support channels operate on WhatsApp and Telegram, which are third-party services not owned or controlled by TASARA. Your use of those platforms is subject to their own terms and privacy policies.

11. Quality Assurance & Disclaimers

Every Merchant Steward is vetted before being listed in the Directory, through TASARA's verification process under the Iron Standard, and remains subject to ongoing standing and conduct review. This site and its content are otherwise provided "as is." Where a request is submitted through TASARA's official Book/Request process and verified by our Administrators as described in Section 12, TASARA stands behind the merchant assigned to that request. TASARA does not warrant the specific outcome of any individual transaction, as the final exchange of goods or services takes place directly between you and the Merchant Steward.

12. Limitation of Liability

All product and service requests should be submitted through TASARA's official Book/Request process, so that our Administrators can verify the relevant Merchant Steward and confirm the request before it proceeds. If you engage or transact with a Merchant Steward directly, outside of this official process and without TASARA's knowledge, TASARA bears no liability whatsoever for that transaction — including its quality, safety, or outcome — as it falls outside the scope of what our Administrators have verified.

Beyond this, and to the fullest extent permitted by law, Iron Mint Stewardship Limited and TASARA shall not be liable for any indirect, incidental, or consequential damages arising from your use of the site or any transaction with a Merchant Steward. Where liability cannot be excluded, TASARA's total liability to you for any claim arising from your use of the site is limited to the amount, if any, that you paid

directly to TASARA (not to a Merchant Steward) in the twelve months before the claim arose.

13. Disputes

If a disagreement arises relating to a transaction or your use of the platform, we encourage you to first contact the Administrative Manager's office at tasaraafrica@gmail.com so it can be reviewed internally. This does not limit or waive any right you have to pursue the matter through any other lawful means, including applicable courts or regulatory bodies.

14. Governing Law

These Terms are governed by the laws of the Federal Republic of Nigeria. Where TASARA's activity in another country of operation (including Liberia) gives rise to a claim, the mandatory consumer-protection laws of that country apply as well, to the extent required by that country's law.

15. Changes to These Terms

We may update these Terms from time to time. Continued use of the site after changes take effect constitutes acceptance of the revised Terms.
